

## **The eight remaining plotters are found guilty of treason**

[Attorney General Sir Edward Coke]

We hereby indict as false traitors who sought to kill the King, Queen, and Princes, to stir rebellion and to change and subvert the Established Religion Thomas Wintour, Robert Wintour, Guy Fawkes, otherwise called `John Johnson`. Men perniciously seduced, abused and corrupted – Jesuited. A treason intending the destruction of the frame and fabric of the nation, the greatest ever plotted. This is gunpowder law fit for the justice of hell.
