Narrator

Mae fy ardal i'n wych achos mae llawer o bethau i wneud yma, er enghraifft, siopa ar y stryd fawr, mynd i'r sinema, mynd i'r ganolfan hamdden neu gerdded ac edrych ar y wlad hardd achos mae'r ardal yn fendigedig. Dw i'n mwynhau siopa yn y dref achos mae siopau da iawn ar y stryd fawr ac mae'n bosib cael bargeinion yma. Dw i wrth fy modd yn mynd i'r ganolfan hamdden hefyd achos mae'n newydd. Rydyn ni'n lwcus bod canolfan hamdden fodern yn yr ardal. Un peth dw i'n ei gasáu am yr ardal ydy'r sbwriel. Mae poteli, pacedi creision a phapurau yn y parc ac ar y stryd. Mae hyn yn ofnadwy! Yn fy marn i, rhaid gwneud rhywbeth am y broblem yma.

Translation

My area is brilliant because there are lots of things to do there, for example, shopping on the high street, going to the cinema, going to the leisure centre or walking and looking at the beautiful countryside because the area is wonderful. I enjoy shopping in the town because there are very good shops on the high street and it's possible to get bargains here. I enjoy going to the leisure centre too because it's new. We're lucky that there is a modern leisure centre in the area. One thing I hate about the area is the litter. There are bottles, crisp packets and papers in the park and on the street. This is terrible! In my opinion, something must be done about this problem.
