

Four seasons sing-along

Four seasons every year. What weather will it be?
Four seasons every year. What changes will we see?

It's spring! It's breezy!
Leaves are budding to be seen.

It's summer! It's sunny!
Leaves are growing big and green.

It's autumn! It's rainy!
Leaves are falling from the trees.

It's winter! It's chilly!
Leaves are waiting for the spring.

What season is it today?
