MAKE YOUR OWN...

Eiffel Tower

What is the Eiffel Tower?

The Eiffel Tower (**la tour Eiffel**) is named after Gustave Eiffel, the man whose company built the tower. It is the most famous landmark (**le monument**) in Paris and was built between 1887 and 1889. At 324 metres, it is the tallest (**le plus haut**) structure in Paris, and from the top there is an amazing view (**une vue incroyable**).

You will need :

- an A4 sheet of thin card (**la carte**)

- a pair of safety scissors (**des ciseaux**)

- coloured pens (**des feutres**)
 or pencils (**des crayons de couleur**)

Method :

1 Print out (imprime) the template (le modèle) onto on A4 sheet of thin cord.

2 Colour in (colorie) the Eiffel Tower and design your own Eiffel Tower on the opposite side.
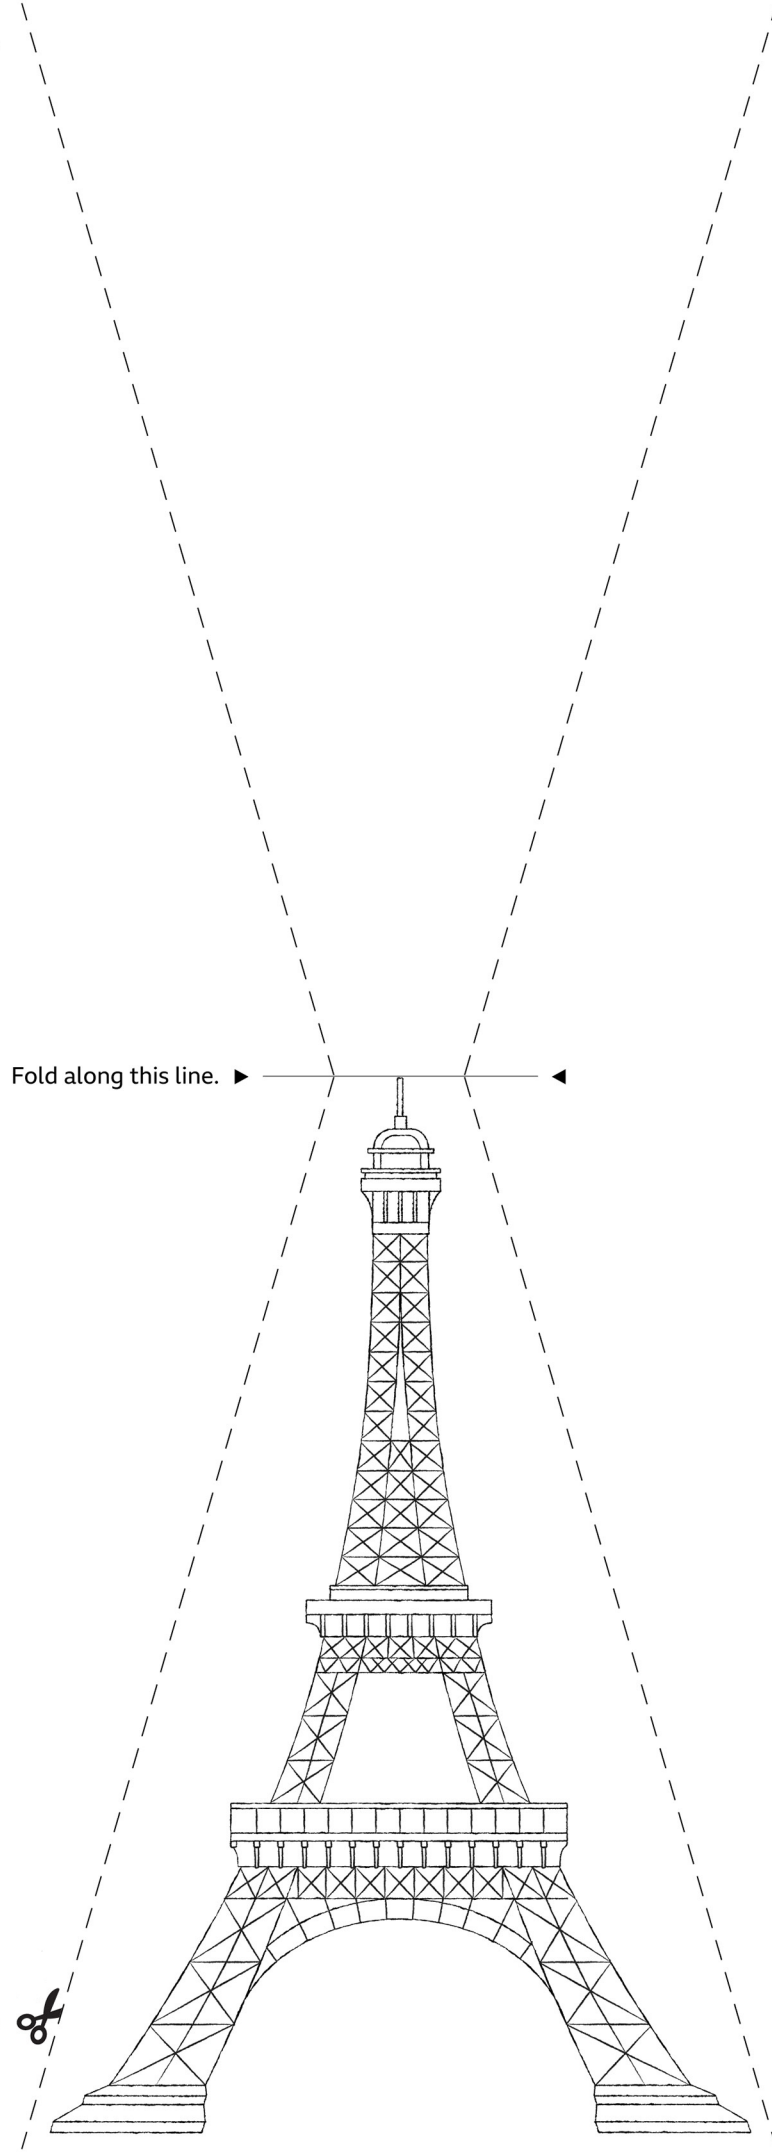

3 Carefully cut out (découpe) the shape of the cord.

4 Fold (plie) along the line.

✂ Cut along the dotted lines.
