

Musical mayhem

Woah woah woah. Enough **plucking** and **blowing**.

We're going to make a song, but what kind shall we make?

Hang on! let's start with a **booming** beat, so we know what **tempo** or how fast to play.

Perfect, like a **stompy** dinosaur! How about a tune played on that keyboard.

That sounds quite **sad** and **moody**, how about some **happy** and **bright** notes.

Now for a marvellous **melody**. That's the catchy tune you can't stop singing.

Go on then. Let's have something **funky** and **twangy**.
That's sounding great! What an epic **ensemble**.
