

Play with puppets!

An activity to try with children aged 6-9 months

Want to bring your stories to life and make your baby smile and laugh?
Give sock puppets a go next playtime!

Simply draw or stick a face on to a sock, put on a funny voice and see how your baby responds.

Draw a face on a sock.

Watch out for choking hazards - keep an eye on your baby's wandering fingers and mouth!

Put on a funny voice.

Your baby will love it when your character acts out a story!
