

Order Objects and Numbers

1. True or false? Each sequence is ordered from smallest to greatest.

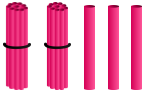

A.

	29		51	
---	----	---	----	---

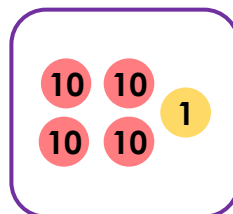

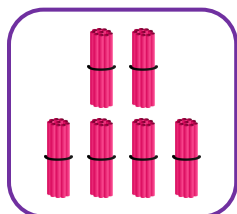

B.

82		50		seven
----	---	----	--	-------

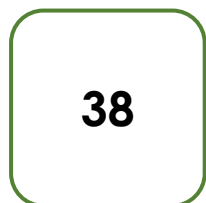

C.

twelve		34	68	
--------	---	----	----	---

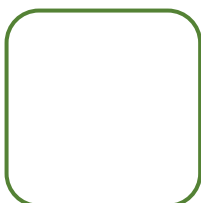

2. Draw arrows between three number representations ordering them from greatest to smallest.

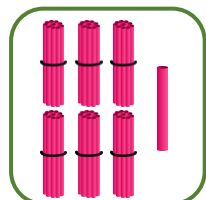

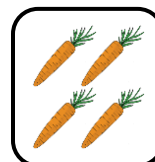

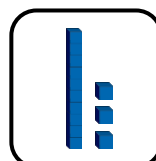

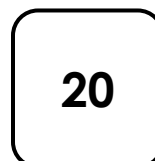

3. Insert the number representations to make to make the statement true.
