

Story event: A character moves along a road

1) Genre: Historical adventure

Leaning on his oak staff, Cerdic clambered over the broken stones of the old highway, taking shelter in the ditch when the horses and their riders hurtled past like a raging storm on their way to Londinium.

2) Genre: Ghost story

Lola crept nervously along the dark lane. The fog swirled around her and the wintry trees reached out long, shadowy fingers that pulled at her coat. She shivered in the cold breeze, which seemed to whisper, 'Go back! Go back!'

3) Genre: Science-fiction

The shining, silver hoverboard hummed gently beneath Izzy's feet as it carried her swiftly along, past gleaming towers and glowing domes. A green light flickered on her communication screen and the guide-bot told her: 'You have reached your destination, Izzy. This is Sector Seven.'
