

GLOSSARY

In this lesson you will come across words such as:

- Assumptions** **Something you think is true without really knowing.**
- Biased** **Biased is when a story is only presented from one viewpoint without considering the other side of the story.**
- Unbiased** **Being fair to different viewpoints and sides of a story.**
- Personal Bias** **Personal bias is when you prefer one thing or person over another. It means you might make a decision or have an opinion that's not based on all the facts.**
- Unconscious Bias** **When you have thoughts or feelings about someone without even knowing it. These thoughts can make you treat people unfairly.**
