Carys

Hello everyone. My name is Carys. I would say I'm a clever and intelligent person. But, I have no idea how to dress well.

So today, I'm going to talk about how much I hate fashion.

Since I was a small child, I've had difficulty knowing what I'm supposed to wear and when.

What? What's wrong? Why is grandma crying?  
To tell you the truth, I have been in a lot of trouble because of this in the past.

Erm, excuse me. You're supposed to knock before coming into the room.

In my opinion, you should be allowed to wear anything you want to. For example, why do we need so many rules about what you're supposed to wear to a wedding?

Well, sorry. But I thought everyone was supposed to dress like this. My next point is that clothes are so expensive. Did you know that a family spends over twenty five pounds a week on clothes? That's more than I can afford.

Any small change?

To close, I've had enough of fashion.

I'm taking all my clothes to a charity shop. Bye.
