Craoltóir : Inniu an Aoine, an tríú lá de mhí an Mhárta. Seo réamhaisnéis na haimsire. Tá aimsir fuar amuigh. Cé go bhfuil an ghrian sa spéir, níl teas dá laghad ann.

Níl an samhradh linn go fóill ar an drochuair. Aimsir mhaith atá ann do na feirmeoirí mar beidh sé breá tirim an tseachtain seo, dea-scéal do na huain bheaga atá le feiceáil sna páirceanna.

Tá deireadh seachtaine fíor-olc le bheith againn áfach. Gealltar ceo maidin Dé Sathairn agus beidh sé scamallach dorchá i rith an lae. Tiocfaidh gaoth láidir le titim na hoíche ar an Domhnach.

Craoltóir : Today is Friday, the third of March. This is the weather forecast. There is cold weather outside. Although the sun is in the sky, there is no heat at all.

The summer has not arrived yet, unfortunately. It is good weather for the farmers because it will be nice and dry this week, good news for the little lambs which can be seen in the fields.

We will have a terribly bad weekend, however. Fog is promised on Saturday morning and it will be cloudy and dark during the day. A strong wind will come with nightfall on Sunday.
