

## Listen to teenagers respond to a survey about new technology. (Transcript)

Oisín: Is mise Oisín, is breá liom mo ghuthán póca. Cuirim téacsanna chuig mo chairde agus is maith liom amharc ar fhíseáin go minic.

Sibéal : Is mise Sibéal. Caithim a lán ama ar mo tháibléad gach lá. Níor mhaith liom bheith gan mo tháibléad.

Caithim uaireanta ag imirt cluichí air agus éistim le ceol air gach lá ar an bhus scoile.

Cara : Is mise Cara. Sílim go bhfuil a lán buntáistí ag baint le ríomhaire glúine. Mar shampla, thig leat labhairt le daoine ar fud an domhain. Déanaim m'obair scoile air fosta.

## Listen to teenagers respond to a survey about new technology. (Translation)

Oisín : I am Oisín, I love my mobile phone. I text my friends and I love to watch to watch videos regularly.

Sibéal : I am Sibéal. I spend a lot of time on my tablet every day. I don't like to be without my tablet.

I spend hours playing games on it and I listen to music on it every day on the school bus.

Cara : I am Cara. I think there are a lot of advantages connected with laptops. For example, you can talk to people across the world. I do my school work on it also.
