

What's in the bag?

You will need:

*A pillowcase with a few baby safe objects in it.
You could use some favourite toys, or building blocks,
baby's socks, drinking cup or bowl.*

Remember:

*When babies and children are having fun it is a great
time for learning. So remember, you only have to play
this for as long as the children are enjoying it.*

How to Play:

- Engage your baby by shaking the pillowcase bag and saying in a singsong voice "Shake, shake, shake. What's in the Bag?"*
- If your baby makes a sound, try copying it back to them and telling them the name of the item again.*
- Try to use the same words each time you take a turn and pause before taking out the next item, this will help to build your baby's anticipation.*
