

What is Solve the Story?

[Solve the Story](#) is a brand new interactive series from [the Other Side of the Story](#) and [Bitesize for Teachers](#).

Alongside the weekly episodes, use our handy "How to" guides, classroom films and downloadable teacher notes, which will cover a different aspect of media literacy each week.

Get the full story, [subscribe for Solve the Story updates](#) before the end of January.

How to use our FREE resources

HOW TO USE SOLVE THE STORY

STEP ONE

Dive into an episode of Solve the Story.

STEP TWO

Set your students a media literacy challenge with our how to videos.

STEP THREE

Watch our classroom film to spark discussion and use the FREE teacher notes to expand learning.

To make the most of these resources:

- 1) Watch the narrative** – each episode is 6 minutes long.
- 2) Watch the "How to..." film** – set your students a media-literacy challenge with our how-to videos.
- 3) Download the Teacher notes and watch the classroom video** - Extend the learning by using the free downloadable teacher guides to make the most of your lesson and expand learning.

Mark your calendars and make sure you return to the Bitesize website each week to watch the next episode of Solve the Story! A brand new episode will drop each Friday. You can follow along the journey with Misha and her friends to help them Solve the Story.
