

# Student worksheet

1. Go to <https://www.roblox.com/games/80099528313812> or go to Roblox and search for *BBC Bitesize Planet Planners*
2. Enter the game hub and choose a topic and scenario to play
3. Work through the scenario
4. Download the report at the end and reflect on your decisions
5. Answer the questions
6. Share the completed worksheet and the scenario report with your teacher

<b>Topic / Scenario played</b>	
<b>Did you play in solo or group mode?</b>	
<b>What were the challenges faced by the community in this scenario?</b>	
<b>Give an example of a good decision that you made and explain why it was a good decision.</b>	
<b>Give an example of a bad decision that you made and explain why it was a bad decision.</b>	
<b>How many stars did you get? What were your metrics at the end? (Give details)</b>	
<b>What did you find hardest to protect and why: social health, the economy or the environment?</b>	
<b>If you played again, what would you do differently?</b>
