Muireann : Bhí mé tuirseach ar an Aoine ach bhí mamaí ag obair go mall, mar sin, rinne mé an dinnéar agus ina dhiaidh sin, chuidigh mé le mo dheirfiúr leis an obair bhaile.

Ansin, lig mé mo scíth os comhair na teilifíse. Gach maidin Dé Sathairn, glanaim mo sheomra agus déanaim an bricfeasta chun cuidiú le mo mhamá agus ansin téim amach le mo chairde.

Muireann : I was tired on Friday but mum was working late so, I made the dinner and after that I helped my sister with homework.

Then, I relaxed in front of the television. Every Saturday morning, I clean my room and I make the breakfast in order to help my mum and then I go out with my friends.
