

# Make your own mummy cartonnage pencil case!

## You will need:

A piece of thin card  
Colouring pencils  
Glue stick  
Scissors (and an adult to help!)

## Instructions:

**Step 1:** Colour in your pencil case top.

**Step 2:** Cut out your pencil case top template along the solid black outside line.

**Step 3:** Snip the four short solid black lines to make your corner tabs.

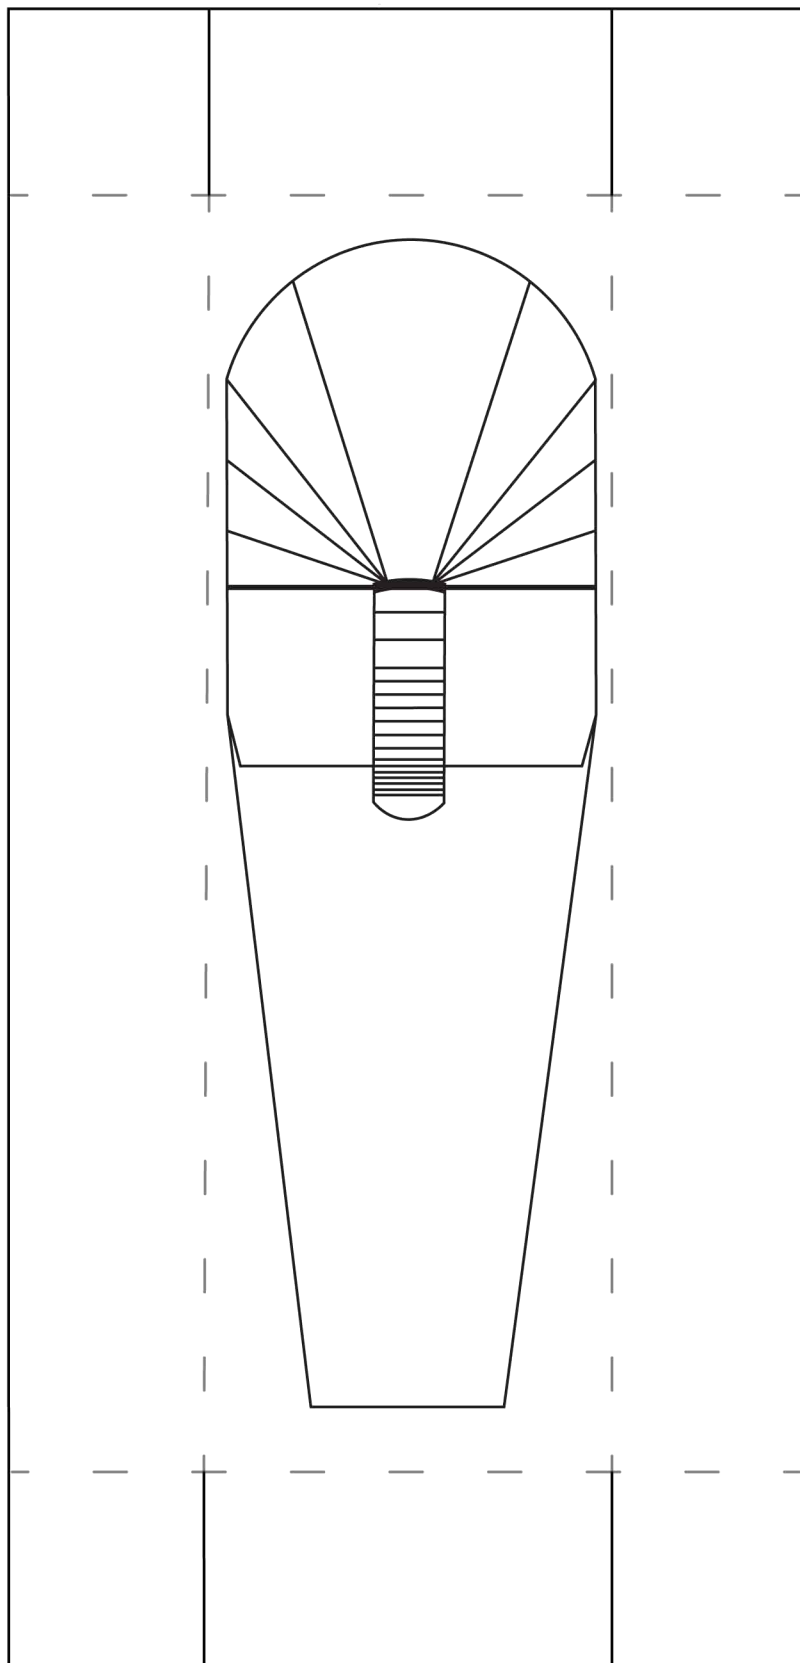

**Step 4:** Holding your template with the mummy facing up, fold very carefully away from you along all the pale grey dash lines.

**Step 5:** Turn your template over and glue the four corner tabs onto their adjacent sides.

**Your pencil case top is complete! Now make your base to finish your mummy cartonnage pencil case!**

# Make your base to complete your pencil case!

## You will need:

A piece of thin card  
Colouring pencils  
Glue stick  
Scissors (and an adult to help!)

## Instructions:

**Step 1:** Colour in your pencil case base.

**Step 2:** Cut out your pencil case base template along the solid black outside line.

**Step 3:** Snip the four short solid black lines to make your corner tabs.

**Step 4:** Holding your template with the mummy facing up, fold very carefully away from you along all the pale grey dash lines.

**Step 5:** Turn your template over and glue the four corner tabs onto their adjacent sides.

**Your pencil case base is now complete! Place your top onto your base to finish your mummy cartonnage pencil case.**
