

Number Bonds

9 plus 1 is 10

Swap them round

Cos we have found

That 1 plus 9 makes 10

Choose two numbers

Do it all again

8 plus 2 is 10

Swap them round

Cos we have found

That 2 plus 8 makes 10

Choose two numbers

Do it all again

Number bonds! Hey! (x2)

Use two numbers to make another one

Number bonds! Hey! (x2)

What's that you say?

Try take away?

Sing along and learn today!

10 take 9 is 1

Swap them round

Cos we have found that

10 take 1 is 9

Choose two numbers

Do it one more time

10 take 4 is 6

Swap them round

Cos we have found

10 take 6 is 4

Choose two numbers

Let's do it once more

Number bonds! Hey! (x2)

Use two numbers to make another one

Number bonds! Hey! (x2)

Over to you

Try a few

Time to show what you can do!

Number bonds! Hey! (x2)

Use two numbers to make another one

Number bonds! Hey! (x2)

Now you know

What you can show

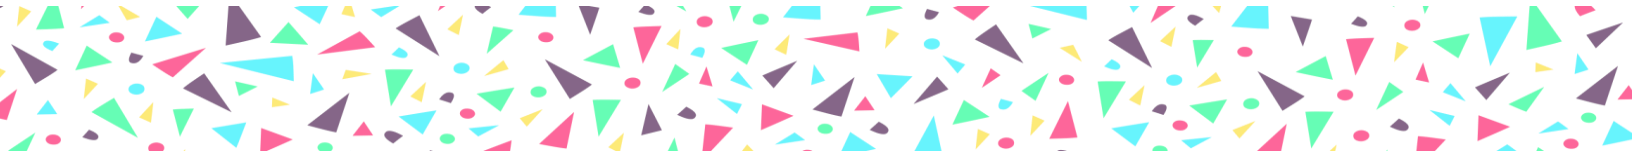

Everyone!

So here we go!

Number bonds! Hey! (x2)

Use two numbers to make another one

Number bonds! Hey! (x2)

Practising

As we sing

Makes Number bonds

A great fun thing!
