

# Do the pygmy hippo with Peggy

The sun comes up in the east  
and it sets over the sea.  
We dance in time to the music.  
Oh so happy and free.

The crocodile in the water,  
the monkey up in the tree.  
We're all inviting you  
to be a pygmy hippo like me.

Step, splash in the water.  
Step, splash in the water.  
Push your hands to the sky one time.  
Now push to the other side.

Step, splash in the water.  
Step, splash in the water.  
Push your hands to the sky one time.  
Now push to the other side.

The sun comes up in the east  
and it sets over the sea.  
We dance in time to the music.  
Oh so happy and free.

The cute little bush baby  
and the chimpanzee.  
We're all inviting you  
to be a pygmy hippo like me.

Step, splash in the water.  
Step, splash in the water.  
Push your hands to the sky one time.  
Now push to the other side.

Step, splash in the water.  
Step, splash in the water.  
Now everybody knows how to be  
a pygmy hippo like me.
