Bláithín : Is mise Bláithín Nic Giolla Phádraig. Bhog muid go eastát tithíochta ar imeall an bhaile mhóir ar na mallaibh.

Is é Baile an Chaistil an baile is cóngaraí dom. Tá an chuid is mó de na tithe sa cheantar scoite óna chéile. Tá bungaló againn féin ach tá seomraí san áiléar. Thuas staighre, tá trí sheomra codlata agus seomra folctha.

Thíos staighre, tá cistín, seomra fliuch, seomra suí agus seomra bia. Níl seomra ar bith san íoslach ach cuireann mo dhaidí maisiúcháin na Nollag thíos ansin. Tá faiche mór timpeall an tí agus bainim an féar gach deireadh seachtaine.

Tá crainn thart ar an teach agus a lán plandaí agus bláthanna in aice leis an chosán. Níl an teach i bhfad ón abhainn, thart fá dhá mhíle. Tá páirceanna rugbaí le feiceáil ón teach agus imrím rugbaí gach deireadh seachtaine.

Tá mo theach suite cúpla míle ó lár an bhaile. Is breá liom mo theach úr mar tá mo sheomra leapa breá compordach agus ollmhór!

Bláithín : I am Bláithín Nic Giolla Phádraig. We recently moved to a housing estate on the outskirts of the town. Ballycastle is the nearest town to me. Most of the houses in the area are detached.

We have a bungalow but there are rooms in the attic. Upstairs there are three bedrooms and a bathroom. Downstairs there is a kitchen, a wet room, a sitting room and a dining room.

There are no rooms in the basement but my dad puts Christmas decorations down there. There is a large lawn around the house and I cut the grass every weekend.

There are trees around the house and a lot of plants and flowers beside the path. The house is not far from the river, about two miles. You can see rugby fields from the house and I play rugby every weekend.

My house is situated a couple of miles from the town centre. I love my new house because my room is lovely and comfortable and huge!
