Róisín : Is mise Róisín. Téim ar scoil gach lá. I ndiadh na scoile Dé Mháirt agus Déardaoin, teim go ranganna breise don Mhata mar sílim go bhfuil an t-ábhar sin iontach deacair.

Sa tráthnóna, dé ghnáth, nuair atá an obair bhaile uilig déanta agam, buailim le mo chairde i lár na cathrach agus ceannaím cluichí ríomhaire nó éadaí.

Róisín : I am Róisín. I go to school every day. After school on Tuesdays and Thursdays I go to extra Maths classes because I think that subject is very difficult.

In the evening when I have all my homework done, I usually meet my friends in the city centre and I buy computer games or clothes.
