Shea : My name is Shea and I attend Coláiste Caitríona and I am in Year 11 now. It is a boys only grammar school. My school is very old fashioned. It is located on the Belfast Road in County Down on the edge of town. I do ten subjects: Irish, English, History, and Spanish, Religion studies, Additional Maths, ICT, Geography, Drama and Motor vehicle studies.

School starts at five past nine and it finishes at half three every day. There are ten classes each day, lunch included, six in the morning and three in the afternoon. Break time lasts ten minutes and lunch is a half an hour. I eat a cheese sandwich for break and I walk around with my friends. I eat my lunch in the canteen every day and then I go to the playground to play football.

I enjoy Spanish because I have an interest in languages and I believe it is important. I hate English because I do not get on with the teacher. I don't listen sometimes and I don't pay attention to the teachers and I get in trouble from time to time. Most of the teachers are friendly and helpful but some of them are very strict. The ICT teacher is very cross but Irish is easy because it is my native language, therefore I love it.
