

Number

Bonds

To 9

Talk

Which number bond is the odd one out? Tell a grown-up why you made that choice.

5+4 4+5 0+9 3+6 8+1 6+2 1+8

Explore

The Number Bond Walk.

When on a walk with a grown up, can you or your grown up:

Walk 9 steps.

Then:

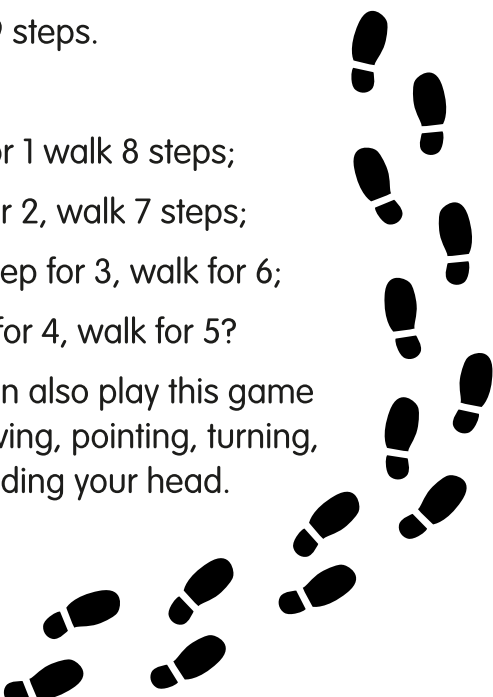

Hop for 1 walk 8 steps;

Skip for 2, walk 7 steps;

Side step for 3, walk for 6;

Jump for 4, walk for 5?

You can also play this game by waving, pointing, turning, or nodding your head.

Draw

Complete the bar models to make the number bonds to 9.
