Fachtna : Bím iontach gnóthach gach seachtain mar cuidím le mo dhaidí sa siopa carthanachta. Freastalaím ar na custaiméirí agus cuirim earraí ar na seilfeanna.

Sa bhaile, de ghnáth bainim an féar ach bhí mé iontach gnóthach ag an deireadh seachtaine le hobair scoile agus rinne mo mhamaí an obair sa ghairdín le mo dheartháir.

Fachtna : I am very busy every week because I help my dad in the charity shop. I serve customers and I put goods on the shelves.

At home usually I cut the grass but I was very busy at the weekend with school work and my mum did the work in the garden with my brother.
