

Staying Safe

That lightning looks **dangerous**. good job you're safe inside.

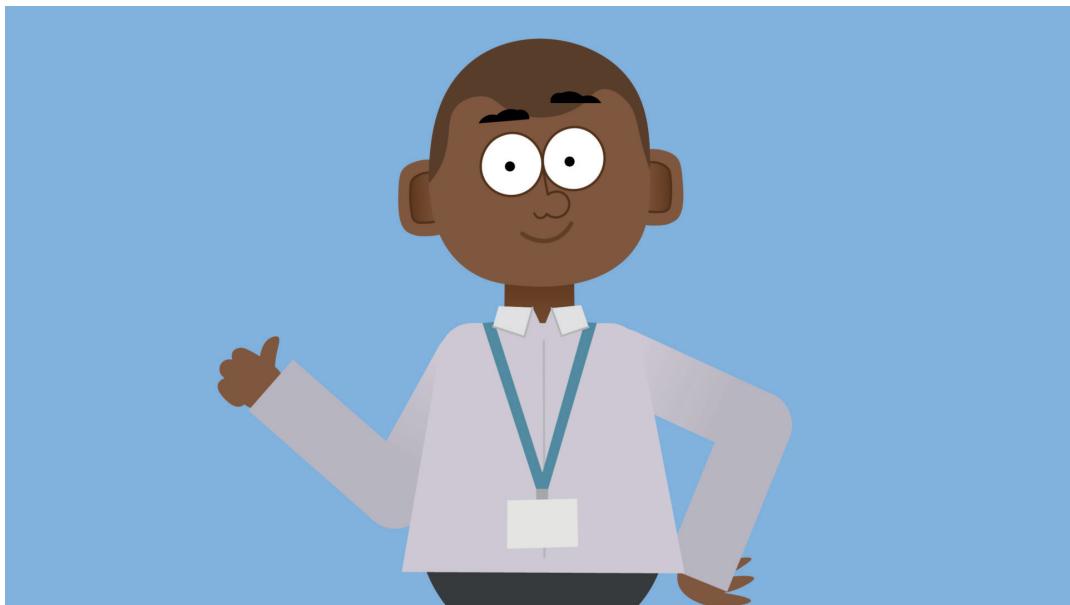

And you have something to do. The goal is to get home, but how **risky** will you be with your **choices**.

School has finished. Now you have **permission** to walk with your friends and their parent, or you could go with the stranger.

Great choice! Most people are nice and friendly. But always stay safe with a grownup we **trust.**

Nearly there! Just a busy road to cross.

Yes! Waiting for the traffic lights to go red. A red light signals traffic to stop. **Responsible road crossing.**

Hang on. A **pop-up** offering **free money** and **prizes**. That could be **unsafe**, like a **computer virus**.

Don't click, press or swipe that screen. The teacher can **check** if it's safe.

Oh look! The rain has stopped and it's **safe** to go outside.
