Ophelia:           He is dead and gone, lady  
                  He is dead  
                  Grass-green turf  
                  At his heels a stone  
                  He is dead and gone, lady  
                  He is dead and gone  
                  At his head a grass-green turf
