Cian : Good morning. I am still alive! We were on a boat trip yesterday around the coast. We got a ferry into Árainn Mór Island. They have a beautiful beach there but it is extremely remote.

The scenery from the boat was incredible altogether! We saw dolphins on the way in. You have to come and visit. We got a beautiful meal last night.

The woman of the house is very good at cooking. We have great craic with the locals and there are a couple of nice girls as well.

I have to go right now because I'm late for class... as usual... and the principal will be after me. I will phone you tonight before the black and white ceili. Bye.
