Translation

Instructor Hi Amy, how are you?

Amy Hi. Fine thanks, and you?

Instructor Not bad.

Amy Good.

Instructor Were you at college today?

Amy No, I had a day off today, so...

Instructor How long do you have left at college?

Amy I finish in May hopefully, if I finish all the work.

Instructor Right Amy, what we're going to do now is turn the car round in the road OK?

Amy OK.

Instructor Have you done one of these before?

Amy Once, I think.

Instructor What we need to do first here now is to look in all the mirrors and over the shoulder as well.

Instructor Is it clear?

Amy Yes.

Instructor Very good. And you need to turn to the right as fast as we can.

Oh dear, we've hit the pavement!

Amy Yes, sorry!
