

Number

Bonds

To 6

Talk

Look at these number bonds:

0+6 1+5 2+4 3+3 4+2 5+1 6+0

What is the same?

What is different?

Discuss your answers with
your grown-up.

Explore

The Number Bond 'Clap Stamp' activity.

Can your partner guess which number
bonds you have made to 6 using claps
and stamps?

For example:

'Clap clap, stamp stamp stamp stamp'

Ask your partner to guess the number
bond... 'That is 2 + 4!'

Now try:

'Clap clap clap, stamp stamp stamp'

What number bond does that represent?
That is 3 + 3!

Try some more of your own combinations
that make 6!

Draw

Draw a line to link the number shapes so that
together they make 6.
