

## Mutations: soft, nasal and aspirate Treigladd Iaes - Aspirate mutation

### Treigladd Iaes

Three letters, three changes on three occasions.

So which letters change in a treigladd Iaes?

Easy - t, c, p.

The letters t, c, p change to th, ch and ph.

See, you simply add a h.

It mainly happens on three occasions.

Firstly after a meaning and.

Te a choffi.

Coffi a the.

Secondly we use this mutation after ei meaning her.

If you're talking about her nose – ei thrwyn.

ei phen – her head.

Remember the word for his in Welsh is also ei but there is no treigladd Iaes when you're talking about his something or other.

Lastly we use a treigladd Iaes after the numbers tri a chwe.

For example.

Tri thŷ.

Tri char.

Chwe phensil.

And there you go, y treigladd Iaes.

Three letters, three changes on three occasions.

Remember... tri tri tri.
