

# Let's make noise

## **Remember:**

*When babies and children are having fun, it is a great time for learning.*

*So remember, you only have to play this for as long as the children are enjoying it.*

## **How to play:**

- *Sit with your baby so you are within easy reach and they can see your face.*
- *Have a few pots and pans and some wooden spoons to bang them with, or just use your hands!*
- *Tap one of the pots gently, saying "bang bang bang" as you do. Look at your baby and give them time to respond. Tap again three times, "bang bang bang" and wait for a response again.*
- *Respond to your baby's response. Laugh if they laugh, and say things like "what a funny noise!"*
- *Keep repeating till your baby loses interest or you've had enough. Try different objects and feels – pans, mugs, shaking keys etc.*
