Mairéad : Bhí lón galánta agam. D'ith mé sa bhialann nua i lár an bhaile, An Caifé Glas. Níl acu ach bia sláintiúil orgánach: glasraí, torthaí agus a leithéid.

Bhí anraith piseanna le harán úr agam. Bhí sailéad ildaite ag mo mhamaí le leitís, trátaí, meacain dearga, cúcamar, luibheanna, pónairí, spionáiste agus cnónna ann.

Mholfainn go hard na spéire é. Bhí gach uile rud fíor-bhlasta. Ar ndóigh, ní raibh sé saor ar chor ar bith.

Mairéad : I had a beautiful lunch. I ate in the new restaurant in the middle of town, The Green Café. They only have healthy organic food: vegetables, fruit and the likes.

I had pea soup with fresh bread. My mum had a multi-coloured salad with lettuce, tomatoes, carrots, cucumber, herbs, beans, spinach and nuts.

I would praise it to the high heavens. Everything was very tasty. Of course, it wasn't cheap at all.
