

Activity 2: Answers

- **They're all about girl power**

'When it comes to lions, *the ladies are in charge.*'

'*Lionesses do nearly all of the hunting,* bringing food back for the entire pride.'

- **They don't have great table manners**

'Despite their huge teeth, *lions don't actually chew their food.*'

'Instead, *they swallow it in huge chunks, using just one side of their mouth.*'

- **They're not exactly quiet!**

'But when it does, *it's so loud you can hear it five miles away.*'

- **They don't like porcupines**

'Tricked into sniffing the little animal, *unlucky lions can end up with one of the porcupine's spikes stuck in their mouth for the rest of their lives.*'
