Activity 3: answers

The **15** homophone fixes you should have made are all shown in **red**.

*'We must get away from **here**,' said Lucy. 'But how? They'll **see** us for **sure**.'*

*The van was very close now. They could hear the growl of its engine and the squeal of its **brakes**, as it stopped right **by** the gate.*

*Two people in red overalls jumped out. They ran to the back of the van, opened its doors and dragged out a big **steel** cage!*

*'We have just **one** chance,' gurgled the blob. 'Stand close **to** me.'*

'What are you going to do?'

*Lucy was frozen with horror. She had just **seen** the people in red overalls drag **their** cage **through** the gate.*

*The blob gave a bubbling chuckle. 'I think the **weather** is about to change.'*

*As Lucy watched amazed, the blob began to froth and fizz. White fog **poured** out of its jelly body and soon they were hidden by a thick cloud of **mist**.*

*'You are amazing, **dear** blob,' Lucy whispered.*

'I know,' the blob whispered back.
