

### Monday

**13:00**

**Bitesize Daily**  
**Age 11-14**

Physics - Earth's  
atmosphere, air pressure  
& density  
Big Reads  
Awesome Scientists  
Science Museum  
experiments

### Tuesday

**13:00**

**Bitesize Daily**  
**Age 11-14**

Biology - Digestion,  
adaptation & energy  
Big Reads  
Awesome Scientists  
Science Museum  
experiments

### Wednesday

**13:00**

**Bitesize Daily**  
**Age 11-14**

Chemistry - changing  
states, gases & kitchen  
chemistry  
Big Reads  
Awesome Scientists  
Science Museum  
experiments

### Thursday

**13:00**

**Bitesize Daily**  
**Age 11-14**

Physics - rockets, the ISS  
& atmospheric flight  
Big Reads  
Awesome Scientists  
Science Museum  
experiments

### Friday

**13:00**

**Bitesize Daily**  
**Age 11-14**

Physics- friction, inertia  
& force and pressure  
Big Reads  
Awesome Scientists  
Science Museum  
experiments

**14:00**

**The Planets**  
**Brian Cox**

Into the Darkness: Ice  
Worlds

**14:00**

**The Planets**  
**Brian Cox**

Life Beyond the Sun:  
Saturn

**14:00**

**The Planets**  
**Brian Cox**

The Godfather: Jupiter

**14:00**

**The Planets**  
**Brian Cox**

The Two Sisters: Earth &  
Mars

**14:00**
