

## Using inference

### Activity 1: suggested answers

**1. Describe what is happening in the picture.**

*There is a girl sitting down. She is looking out of the window at the rain falling.*

**2. How is the girl feeling in this picture?**

*Any answers that link to the picture are valid.*

*For example: sad, tired, bored, alone.*

**3. Why might she be feeling that way?**

*Any answers that link to the picture are valid.*

*For example: The girl is feeling bored as it is raining so she can't to go outside to play.*

**4. What might the girl do next? Why do you think that?**

*Any answers that link to the picture are valid.*

*For example: She might go on her phone next and ring up her friend as her phone is lying next to her on the windowsill.*
