

## What is rhyming?

In my garden I saw a bug.  
The bug has a blue mug!

Hey look there, is that a fox?  
That fox is on a box!

At the farm I saw a pig.  
That pig is really big.

My favourite animal is a rat.  
The rat has a nice hat.

Did you know I have a pet?  
That pet can fly a jet.

This is a very loud goat.  
That goat is on a boat.

That is a very round snake.  
That snake just ate a cake.
