

Could you learn to sing Calon Lân in 30 minutes?

Video transcript – Introduction

Oh dear!

You know, *Calon Lân* is one of Wales' greatest rugby anthems. But... it's only ever sung in Welsh.

Sounds scary, right? But stay with me.

As an opera singer, I have to sing in lots of different languages.

Cast your mind back to when you were young and you're singing *Supercalifragilisticexpialidocious* with Mary Poppins.

Now, if you can learn that, I guarantee learning *Calon Lân* will be a piece of cake. Mmmm, cake...

Now, I know what you're thinking, "This is all a bit much to get my head around at the moment."

But try this tongue twister just to start... *Canu Calon Lân* - 'Singing Calon Lân' - *Canu Calon Lân*.

See? That was brilliant. And if you can cope with those words, then you've already learnt around 25% of the whole song! Not bad, eh?
